FAQs

I love the Mansion. Can I come see it?

Sure! We would love to show you around! Email or call us to schedule a time to come out!

Do you allow pets to be part of our wedding day?

We love fur-babies and want them to be able to be a part of your big day! They are family after all! Depending on size and breed, your pet may be allowed to be a part of your ceremony. They won't be able to be in the buildings, but they can walk down the aisle at any one of our outside ceremony locations.

What do we do if it rains on our wedding day?

We have multiple options to move your ceremony inside so you and your guests stay dry.

Do you allow outside catering?

We have a phenomenal onsite Chef but we do allow outside catering with a fee.

Can we rent a room?

We do not have rooms to rent, though we are happy to refer you to some nearby hotels, some of which provide event shuttle service.

Can I use my own vendors?

Lone Star Mansion is delighted to offer a curated list of preferred vendors who have successfully collaborated with us. While we exclusively utilize one companies for our bartending services, we warmly welcome the inclusion of other outside vendors for all additional needs.

What time can we arrive at the Mansion on the day of the wedding ?

That depends on the package that you choose, typically Mansion access begins at 11am.
