LONE STAR MANSION

Congratulations and Welcome to Lone Star Mansion!

We want to thank you for considering Lone Star Mansion for your upcoming event. We know that planning your wedding day starts with finding the perfect destination. Lone Star Mansion is a private estate wedding venue located just outside of Fort Worth, Texas in beautiful Burleson.

The Mansion is tucked away in Burleson's countryside, where you and your guests can escape to, and enjoy the most important day of your life in privacy and serenity. Lone Star Mansion is located on an impressive 20-acre gated estate, complete with a tree-lined driveway, a private lake, and several indoor and outdoor ceremony and reception locations within the property.

We know that finding a venue to host your wedding is only the beginning of the planning process for a bride and groom. Our Staff truly has a passion for weddings and are committed to the idea that EVERY wedding is our most important wedding. We've also established relationships with local vendors from the Dallas – Fort Worth Metroplex that only enhance the Lone Star Mansion experience for our guests. We were determined to find vendors that we enjoyed working with, that hold themselves to the highest standard of quality, and that are committed to giving their clients exactly what they are looking for. We are excited to hear from you and would love to know what your vision is for your wedding so that we can show you how that vision would come together at Lone Star Mansion!

If you have any questions, please let us know. We pride ourselves on flexibility and attention to detail, in making sure you and your guests are well taken care of on what we know will be the most perfect way to start your new life!

Sincerely,

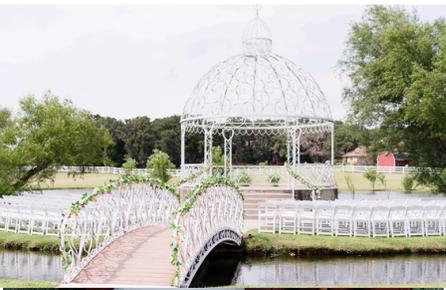

Fabiola Navarrete
